Perishable produce piggy-backed out of the Glades

By JIM JONES

In recent years, Florida's fruit and vegetable producers have enjoyed no alternative to the trucking industry for getting their crops to market.

If a two-month test program started Friday, April 24, works out, however, that could change.

Local growers gathered at the Belle Glade rail ramp located just off North Main Street Friday to watch as four refrigerated trailer loads of produce were backed onto flatcars for rail shipment to Jacksonville and thence to Cincinnati.

Supplying the produce were Pioneer Growers Co-op one trailer of mixed produce, Naples Tomato Growers - 1,280 30-pound boxes of tomatoes, and South Bay Growers - one trailer of mixed produce and 900 crates of corn. A Duda and Sons and Roy Vandergriff will also be taking part in the program.

Under the test program, at least 10 trailers of produce a week will be transported northward from ramp points at Belle Glade, Tampa, Orlando, and Jacksonville.

Florida Fruit and Vegetable Association is sponsoring the program in cooperation with Cooperative Shippers, Inc., a non-profit organization based in Chicago.

After the produce reached Cincinnati, the trailers will be transported by truck to final destinations in Indiana, Illinois, Ohio, Michigan, and Pennsylvania.

Estimated savings of the program are \$200 to \$300 per trailerload, a savings which should be realized at the consumer level.

"We Will do an evaluation and assessment to decide how far to go with the program," said Dave Vernon, manager of FFVA's Transportation and Communications Division.

While everyone involved with the program seems to agree that regardless of the outcome, trucking will continue to be the backbone for the transportation of vegetables out of Florida, an "intermodal system could provide a most needed alternative."

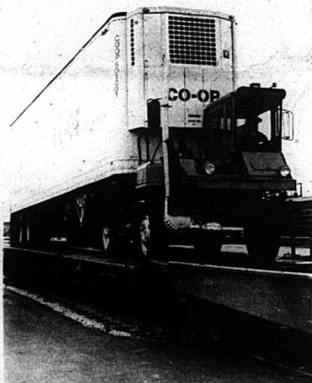

A rail alternative has been unavailable since the demise of ice bunker car and the Fruit Growers Express refrigerated trailer fleet.

"Railroads have indicated that the only way they will participate is by using shipper owned equipment for perishables," Vernon said.

With the specially designed 42-foot Great Dane trailers with 2,600 cubic feet of loading capacity, equipped with Thermo-King SB-1 refrigeration units and a computer controlled monitoring system, rail shipping of perishables seems possible again.

Cooperative Shippers, Inc. was selected for the test program because of its preventive maintenance program, the design of its equipment, and track record on the West Coast in similar program, Vernon said.

Rental subsidy proposal referred to workshop

By JIM JONES

Agreeing with the need for a rental assistance program, but reluctant to enter into an agreement which they might have difficulty getting out of later, Belle Glade City Commissioners Monday, April 27, decided to investigate the matter further in a workshop.

On that still to be announced workshop date, commissioners are expected to look into Palm Beach County Housing Authority's charter and powers.

Renar M. Harvin, city community development director, presented the proposal for the city to enter into the interlocal agreement with the PBCHA Monday night.

Similar agreements are already in effect between the PBCHA and Riviera Beach, Vero Beach, Lake Worth and Delray Beach, Harvin said.

Harvin said the program would ease overcrowding in multi-family complexes, require participants to contribute a portion of the payment, and would involve existing, privately owned housing on a voluntary basis.

Harvin said the program would be the first to address rental assistance within the Glades and is addressed within the city's comprehensive plan.

He called the operation of the program by the PBCHA preferable to one which might be operated by

Four vie for Pahokee council

PAHOKEE — When the voters go to the polls on Tuesday, May 5 in Pahokee, they will have a choice between four candidates for the two City Council seats up for grabs.

When the polls open at 7 a.m., Candidates William "Billy" McKinstry and Robert "Bob" Welty will square off in Group I.

Candidates Curtis Miners and George Tillis will oppose each other in Group II.

W.E. McKinstry, president of the Council quickly drew competition the first week the filing opened when former city Councilman Welty filed against him.

Just as time was about to expire and Miners seemed assured of another term on the Pahokee City Council, George Tillis, a native of Pahokee for 25 years and a salesman for Four-H Sales, filed the day before the deadline to assure a two-man race for both seats up for election.

Both McKinstry and Miners are seeking their third consecutive two-year term on the Council.

McKinstry, employed by Southern Belle, in addition to serving as the Council's president also

Dealer eligible to operate

A Belle Glade produce dealer has satisfied the demand of a New Jersey shipper for \$20,589 payment for produce and is eligible to operate in the produce industry and to operate without bond, said Mike Clancey of the U.S. Department of Agriculture Monday, April 27.

William J. Mowen settled with the New Jersey shipper Wednesday, April 22, ending a claim dating back to 1976.

Mowen had been briefly barred from operating in the produce industry until the claim was settled. He was barred under the Perishable Agricultural Commodities Act.

Briefly

Lock operation restricted

In an effort to conserve water during the current drought, the U.S. Army Corps of Engineers has announced that it is restricting lock operations at St. Lucie and W. Franklin Locks, beginning May 1.

Passage through these locks will be performed at 6, 8, and 10 a.m., at noon, and at 2, 4, 6, 8, and 10 p.m.

Vessel operators with drafts approaching eight feet should check with lock operators to see if safe passage through the waterway can be made. For information, contact the Clewiston Area Engineer at 813-983-8101, Jacksonville District Engineer at 904-791-2458, St. Lucie Lock, Stuart, at 305-287-2665, Port Mayaca Lock, Indiantown at 305-597-2339, Moore Haven Lock at 813-946-0414, Orono Lock at 813-675-0616, and W.P. Franklin Lock at FL Myers, 813-694-2582.

7 named to committee

Belle Glade City Commissioners named seven persons to the Black Gold Jubilee Committee, replacing persons whose terms are expiring.

Appointed April 27 were Karen Hansford, Mike Burkett, Anita Adams, Roger Williams, Carol Haller, Pete Kirchner, and Ernie McCroon.

Commissioner Randy Davidson was reappointed as commission representative to the committee.

GED testing planned

The Florida General Education Development examination will be given at the Glades Central Community School Annex May 19, 20, and 21 6-9 p.m.

The last day of the registration for the testing will be Thursday, May 14th at the Annex Adult Education Office. Call 996-4950 for more information.

Rental subsidy—

the federal government.

Under the program, a prospective tenant would be required to find his own rental unit and determine if the landlord is willing to participate in the program. If the landlord is interested, the landlord would call for a building inspector to check his unit to see that it meets specifications. Only the landlord could ask that an inspector visit his property, Harvin said.

Asked to comment on the proposed interlocal agreement by Mayor Tom Altman, City Attorney John Baker said he is impressed by the voluntary participation of the landlord and tenant. The tenant is not required to rent from a particular landlord and the landlord is not required to participate in the program. There are no "captive audiences."

Baker called the proposal the "least onerous of the federally subsidized programs."

"It benefits the person who is out earning money rather than on the dole," he said. "It gives a man the opportunity to help himself."

Baker said that he did not believe a person living only on welfare would be able to qualify for the program.

Mayor Altman said that while he thought a rent subsidy program would be good for the city, he was concerned about how the city might withdraw from the program later on.

Baker said that the city might be required to run the program if the county were deprived from doing so. He recommended that no clause be inserted into the agreement allowing the city to terminate the agreement.

"I cannot support a program that we cannot get out of," Altman said.

Asked again by Altman if the city could find a way to leave the program once in, Baker replied. Probably in the short run it could be done. In the long run, they would find another way to skin the cat.

Commissioner Dorothy Walker said that she believed the city could withdraw from the program if it so desired, but another agency could come in and take over.

Baker called the question over continuation of services being provided at the time the agreement was cancelled the "dangling cord."

Altman asked that the program be referred to the city attorney and to the city manager for study, saying he wanted to maintain control for the city.

Commissioner Charles Coodlett noted that if the city were to operate the rent subsidy program, it would be able to sponsor only 12 families, while the PBCHA is able to sponsor almost an unlimited number. He wanted to look into this aspect of the program.

Commissioner Walker said she "totally supports"

the program and called the need for rental assistance "dire."

In other business Monday:

• Commissioners learned that softball coaches had asked the city to once again operate the city softball league.

Earlier this year, commissioners had voted to let the league organize itself.

• Commissioners discussed mosquito control within the city. Money remains in the budget for 23 more aerial applications.

Efforts will be made to concentrate the aerial applications when the rainy season returns. A ground fogger will also be used to help control mosquitoes.

• City Manager Rockefeller Wagner said city crews had reinforced the racquet ball courts and racquetball is once again being played in Belle Glade. Wagner is receiving weekly reports from the building inspector on the safety of the courts. Reinforcement of the courts cost \$775.15.

• At the recommendation of City Manager Wagner, commissioners approved a individual incentive merit plan for city employees.

Wagner said the plan is a "carrot and stick" to encourage employees to perform beyond minimum requirements.

Wagner said he favors accomplishing more with fewer employees and his ultimate goal is to have highly motivated employees who all qualify for the individual incentive merit plan.

• Agreed to purchase four tractors and mowers from International Harvester Corp. for \$10,964.96. The mowers had been used for a recently cancelled test mowing program in the city, conducted by International Harvester.

City employees said the price was far below dealer costs for the nearly new machines.

• Authorized four local agencies which sponsor day care centers to hold "A Day in the Life of a Child" Saturday, May 30, at Lake Shore Recreational Park.

The purpose of the event is to raise money for the operation of the day care centers. Requesting approval of the event were Wee Care board of Directors, Florida Farmworkers Council, St. Paul board of Directors, and Rural Health Board of Directors.

supervises the city's police department.

Walty, an employee of Florida Power and Light Co., served on the Council for two terms from 1976-80. Last year he decided not to seek re-election and ran for the mayor post, but was defeated in a four-way race in which Norma Norman won.

Miners, vice-president of the Council and long-time resident of Pahokee, who served an earlier term on the Council in the 1960's is a resident of 326 Kismet Ave.

The polls will be open from 7 a.m. to 7 p.m. for all registered voters living within the city limits. City Clerk Betty McCoy said election workers will be Mrs. Tommie Lee Dubose, clerk; Allie Mae Watson, Ami Levine, Lucy Baines, Eva Gillis, Louise Hodges and Mary Hammond.

Mrs. McCoy said absentee ballots may be turned in as late as Tuesday.

Following the tabulations of the voters, the two elected Councilmen will be sworn in and a re-organizational meeting will be held in the Council Chambers.

and Seaboard Coast Line, have no responsibility for the operation of the piggy-backed trailers.

A shipment of produce leaving Belle Glade at 8:30 p.m. Monday can be in Cincinnati 41 hours later and in the final destination in Midwest markets by Thursday.

Belle Glade will be a hub for shipment of produce from South Florida. Produce from Pahokee, South Bay, Naples, and Immokalee will come to the Belle Glade ramp. Ruskin and Palmetto crops will be loaded at the Tampa ramp, while Zellwood and Sanford crops will be loaded at Orlando, and Hastings crops will be loaded at the Jacksonville ramp.

Among those present Friday to witness the first rail loadings under the new program were Dave Vernon of the FFVA, Jeff Garguido of Naples Tomato Growers, Roy Hayes of South Bay Growers, Don Scruggs of South Bay Growers, Frank Teets of South Bay Growers and vice president of FFVA, and James T. Duncan, secretary-treasurer and general manager of FFVA.

Lynn, 4, took second-prize of \$10 for her winning entry at Apple Green.

Winners in the fourth-grade and above division, not pictured, were first-placer Traci Wilcox and second-placer Brian Carberry. Both Traci and Brian are from Belle Glade. Traci entered at Gilbert's Jewelry, while Brian entered at Lake Hardware and Farm Supply. Traci won \$15 and Brian won \$10.

Pahokee council looks at health care center survey

By ALMA HENRY

PAHOKEE — The Pahokee City Council agreed Tuesday night to review a survey on the feasibility of opening a health care center in Pahokee and agreed to meet with supporters for the health care facility.

Mrs. Ethel Barnes, a resident of Pahokee and a member of the health care board appeared before the Council and spoke of the necessity of a health care clinic in Pahokee.

Mrs. Barnes told the Council its time "Pahokee taxpayers stand up and be counted."

"We are nobody (Pahokee)", she added.

"The coast don't care about us and we have to go to Belle Glade for everything," she said.

Mrs. Barnes and members of the board are advocating the renovation of the old Pahokee Health Department adjacent to the old Everglades Memorial Hospital.

Mrs. Barnes said the board has been told that because of President Ronald Reagan's budget cuts, funding is not available for the renovation of the center, and the hiring of persons to run the center would be difficult.

"I keep hearing Reagan is cutting across the board 25 percent, how can Pahokee feel the cut when Pahokee has not had anything to cut to start with," said Mrs. Barnes.

"I know there is some money somewhere in a budget for a health clinic in Pahokee," she said.

Mrs. Barnes also said there would be no problem staffing the clinic as there are a number of retired and unemployed medical personnel living in Pahokee.

The Council agreed to meet with Mrs. Barnes and members of the Board at the Council's next regular meeting on May 12.

Mrs. Barnes said she would fight as long as it takes to get the clinic re-opened in Pahokee.

In other business before the Council:

- Accepted a new group health and hospital insurance plan. Hub Spooner, the city's present representative said Washington National has informed him the City of Pahokee insurance rates would be raised substantially because of claims filed last year with the company.

Spooner said although the City of Pahokee claims were exceptionally high he did not see a justification in the rate increases Washington National was proposing for next year.

After listening to several plans Spooner presented from Blue Cross and Prudential and plans presented from David Jasmund, representing the Florida League of Cities, in a self-insurance plan the Council agreed to go with Prudential at an annual cost of \$60,000.

- Donated Pahokee High School Athletic department \$100 towards the purchase of a 33 passenger bus.

Joe McIlwain, athletic director at Pahokee High School said the school needed to raise \$7,500 to purchase the bus.

Thus far, McIlwain said the school had raised \$2,500 in donations and another \$1,000 was promised.

McIlwain said the Palm Beach County Schools system would match any monies the school raised. McIlwain said the cost of the bus is \$15,000.

Council chairman William McKinstry asked McIlwain would not be more economical to use the school buses and McIlwain said many of the school's athletic contests are held in the day and the school buses are not available.

- Heard a report from Councilman Hugo Raineri, two sunken boats at the Pahokee Harbor were being removed this week.

- Heard a report from the Jim Sloane, the consultant engineer, the City was in need a study for water and sewage rate increases.

Sloane said the last time the city increased rates and had a study done was in 1975.

The Council agreed to have Sloane present at the next Council meeting the cost of a study before agreeing to go ahead with the study.

Sloane said he felt a study was justified at the time.

- Heard a suggestion from Public Works director Donnie Martin, to use the \$50,000 park grant to build bathroom's atop of Pahokee dike.

- Accepted bids from Allied Products, Co., and Allied Universal Corp., to provide the City with lime and liquid chlorine for the city's Water department.

Adjourned the meeting until Tuesday, May 5.

BELLE GLADE — The 7th Annual Glades Golf Tournament benefit for the Association for Retarded — Glades Area was successful according to Tricia Blash, executive director of the local association.

Fifty-seven golfers participated in the event and a three way tie for first place in the men's low gross prize had to be settled before a winner could be named.

Willie Lee, Frank Davis and Tim McKee started the playoff after each shot a 75 for the course. Starting again at the first tee, McKee was eliminated when he bogied with a five while Lee and Davis

parred with a four each. Lee eventually won when he bogied the second hole and Davis lost a ball in the water.

None of the 57 golfers managed to drive away in a 1981 car awaiting them at the seventh green.

The car could have been won by a hole in one at the 147-yard seventh hole. The car was donated by Doug Lockhart Ford.

Golf pro, John Wright said "it's a shame, too, because we really wanted to give the car away."

Steve Hoft won a playoff against Eddie Wade for the low net competition. Hoft shot a handicapped score of 64, leaving Marlin Chapman to win third place with a 67.

Rheta Cunningham won low gross in the women's division with an 89, followed by Maggie Fanjul

with a 93. Bee Wood won the low net with a 74, and Mary Frances Burke was second

with a 76. Steve Weeks, served as the tournament chairman

and ARC provided the golfers with sandwiches and soft drinks throughout the tournament.

Glades Youth Are On The Move!

The Glades youth are on the move and various community and national organizations are recognizing their talents with scholarships and awards.

Thomas Lockett, a senior at Glades Central High School, was recently told of his selection as the 1981 valedictorian at GOCH. Thomas, a member of the Raiders football, all conference, and all state player was named the "Student of the Year" by the Zeta Phi Beta Sorority, Inc., at its annual Violet Anderson NAACP Community Awards banquet.

Robert Tai, a student at Pahokee High School, also has been notified he placed third in the State Science Fair competition for his project in bio-chemical. Tai has been invited to the National Science Fair in May in Milwaukee. Tai, along with his brother, Thomas Tai, a student at East Lake Middle School and several other students will represent the West Area National Academic Games competition in Georgia in May, also. Congratulations to Tai and Lockett.

Speaking of moving, the Glades Central Raiders and the Pahokee High School Blue Devils track teams won their district competitions last Friday. The Devils and the Raiders will both compete in Regional competition this Friday and both are expected to do quite well. Both teams scored their highest score at the district meet than any previous score the teams have scored all year.

Coch Willie McDonald of the Raiders was heard praising Pahokee's Albert Gray for the fine performance he put on in Clevelston Friday.

The Raiders girls also won their district competition and Coach Jay Seider is looking forward to the regional as well as the state competition. The Raiders' Sheila Nix, is already rated as one of the state's best and is expected to win her event.

Speaking of ladies, three seniors at Glades Central were presented with the Elite Community Club's annual scholarship awards at the Annual Debutante and Escorts Ball.

Miss Michelle Leland received the first place scholarship of \$600. Miss Connie Foster received the second place award of \$300, and Linda Jones was the third recipient, receiving an award of \$300.00.

Area Glades youth also will be featured Saturday at the Glorious Community Church in a Battle of Songs. Two of the Glades most popular, Willie Lawrence and Eddie Coffie will be performing.

Speaking of performing, the Glades Central and Pahokee High School presented the first Battle of Songs before a full house at the Glades Central Gym on last Thursday.

The two groups presented some of the finest musical talent the Glades has to offer.

The two groups also presented for the first time a rendition of "We Shall Over Come".

Congratulations Kevin and Reginald for a job well done.

Speaking of youths, one of the Glades strongest and most ardent supporter of activities for youth in the Glades will be honored with a testimonial dinner at the Lake Shore Civic Center, Monday, May 4.

Elmore Williams will be honored by a number of community organizations and individuals in the community.

Mr. Williams' devotion and support for the youths in the Glades is a testimonial of his life.

This is a dinner you will not want to miss.

Letters to the editor

Editor:
In behalf of the Directors of the Belle Glade Chamber of Commerce, I would like to express our sincere gratitude for the fine coverage on the Black Gold Jubilee Celebration. The Chamber of Commerce was elated over winning first place award on our float entry. We also had a complete sell-out on our dinners.

Again, we thank you for helping the Chamber and our Community have a very successful celebration.

Sincerely,
Paul Corbin

Editor:
The assassination attempt made on President Reagan, the increasing number of crimes committed by terrorists, and the murder of 23 children in Atlanta characterize the era of moral permissiveness.

In fact, decent persons are deprived of their right to civil right to enjoy immunity from the attacks of criminals in their homes and on the streets of cities, because many judges have consistently taken the view that the rights of criminals are more important than the rights of the victims of criminals. Unfortunately, our laws on abortion are too liberal, to say the very least, to cause a disregard for human lives and to promote a large-scale legal-

ized murder—the genocide of the unborn.

Above all, our major TV networks have consistently given free advertisement for the deeds of criminals and abortionists. Millions of citizens realize that our major TV networks are our major domestic enemies promoting moral pollution and nihilism.

Citizens should realize that it is useless and pointless to argue with those who undermine our traditional moral values. Concerned persons should do their best to restore our traditional moral standards and the respect for law and order.

For instance, large-scale boycotts of advertisers of major TV networks, which advertise and promote violence, abortions and profanity, should be organized by decent citizens, patriotic organizations, and the Moral Majority.

Concerned members of churches should refrain from giving any contributions to churches, which shelter clergymen who condone moral pollution.

The time has come to realize that the silent majority should resort to the rights of boycott and self-help and other harsh and uncompromising measures to end the era of permissiveness.

Sincerely yours,
Dr. Alexander V. Berke

Time to leave Pahokee alone

NBC has yet to set the record straight — and surely never will — on the hatchet job last year, loosely called a documentary on migrant labor living conditions.

Glades area and other leaders were tried, convicted and sentenced in the Chris Wallace special last year, while rational response to the accusations was carefully edited out.

One of the targets of criticism (twice) was the Everglades Labor Camp, located on U.S. Highway 441, just Southeast of Pahokee.

Although the camp has not been used since 1972, it was featured in last year's NBC melodrama.

If NBC comes back in another decade or so for a fresh look-see of migrant conditions, they will be unable to point an accusing finger at the Pahokee Housing Authority for the camp.

The reason is simple: last week the camp sold for \$291,359 to Joe Alderman, II.

Hopefully, NBC will be responsible enough to verify its facts and learn who is responsible for what, and what is being used and what isn't.

Good journalism ethics would have seemed to have dictated this the first time around. This is an assumption of course, and we all know where assuming can get you.

Two spending philosophies

Just when Pres. Ronald Reagan is trying to set the United States on the path to reduced spending, it seems that Gov. Bob Graham has other plans for the state of Florida.

This is pointed out in an April 10 memo prepared by the Citizens Council for Budget Research, Inc., a watchdog agency in Tallahassee dedicated to holding down state taxing and spending.

On March 10, Gov. Graham's proposed \$400 million tax increase, largest in state history, was

outlined to the House Appropriations Committee.

The same day, Pres. Reagan outlined his tax cut proposals, totalling \$48.6 billion over the next two years. The proposals would save \$409 billion over the next five years, according to Budget Director David Stockman.

The contrast between the two budgets seems no less clear than the people's mandate for change expressed last November at the polls.

The greatest people on Earth

I water ski with the greatest group of people in the world.

I believe you would have to look far and wide to find friends like I have acquired in the past year because they are few and far between. They are dedicated, fun-loving people, and I would not trade them for anything.

I have been sitting here reminiscing about the fun times that we have had and thought I would share some of them with you.

You must understand that these are the people who still put up with me after I mess up the girls routine, ski into a houseboat and in general do my "own thing" when it comes to water skiing.

We all got together when it was too cold to ski and decided that we were going to all load up and go camping.

We departed Belle Glade Friday night so we could have a wonderful weekend sitting around a fire, canoeing, and resting from water skiing.

The next morning, four of the more adventurous members of our club decided they were going canoeing. They climbed aboard the canoe and took off. About three hours later they still had not returned. We got worried. There wasn't anything we could do. We only had one canoe and they were in it. We sat around and waited for them to return. I knew they were lost. Silvio is still trying to convince us that he knew where they were going.

Two more members of our group went canoeing one afternoon and ended up getting a ticket! They had traveled about five miles from the campsite and were stopped for not having enough life jackets in the canoe. The whole trip back to camp the game warden was beside them yelling, "stroke, stroke," all the way back to their campsite!

Sunday afternoon, John Ellison decides it is time to go for a ride in his four-wheel drive truck. So a bunch of people loaded up in the back of his truck and rode off to find the mud.

ANITA ADAMS
SHORT STUFF

It got dark quick that evening. The members who went out in John's truck had not come back. I waited.

All of a sudden I hear this panting sound behind me. Lori had ran all the way back to camp to let us know that John's truck was stuck in the mud. So we all loaded up in Tim's truck and raced to the rescue. (I personally have only been mudding once in my entire life and at that, moment riding in the back of Tim's truck I knew why.)

When we arrived, the truck looked like it was half eaten by mud and the situation was not going to get any better! We pushed and we pulled, but the truck wouldn't budge. Finally, with John at the wheel, and by the grace of God the truck moved. John backed it out only for it to get stuck again.

It had gotten dark and the rest of us decided it was time to go and start packing up everything because it was time to go home.

It wasn't long after that all the guys came back looking like creatures from the black lagoon. The truck was free for sure this time.

I will repeat myself in saying that these are fun-loving people. We have been through a lot, we have shared a lot.

Friends like these are indeed hard to come by. You enjoy the laughter and you grow from the sadness. No where and I do mean no where will I ever meet or have another group of friends as I have with Sunshine Water Sports.

About Sandra

During the years I have known my younger sister, Sandra, we have built up a friendly adversarial relationship.

This took some doing as we have been on the opposite side of the fence on most issues.

Back in the Vietnam war days, I was wearing Army green, while she was out getting arrested with the other hippies for demonstrating for peace.

She generally ranks the military down there with snakes, spiders and male chessmen pigs, because in her heart, she is an ardent feminist. She was president of the Jacksonville chapter of NOW, the National Organization for Women, at one time.

Knowing of her less than loving views on the military, I heard with some interest the other day that the Pentagon was pleading with the Justice Department to not proceed with anti-trust action against American Telephone and Telegraph. I have nothing against AT & T. All that I really know about them is that my sister works for them.

Despite pleas that this suit would be harmful to national defense (AT & T provides much of hte communications services for military in this country), Justice Department spokesman said they intended to prosecute the case to the "Eyeballs" anyway.

Well, I've never seen anything prosecuted to the eyeballs before, wherever they might be located on a civil suit, but it sounded serious to me.

AT my first opportunity, I had to tell Sandra that she had been unaware that she had been playing such a vital role in our nations defense all of these years.

When I told her how proud of her patriotic views that I was, she shrugged it off, saying that she didn't know that AT & T was involved in such things. Besides, now that she is getting older, she is involved in more important things like going to the beach and having a good time.

At this point in the story, I think it is important to say that I am pro military (we should be stronger than anyone else) and pro womens rights, although I don't think we need an Equal Rights Amendment. When my little girl becomes a young pig, I don't want any educational or business opportunities closed to her, nor do I want her to receive less pay than young men for equal work. I don't want her to be drafted either; let them draft the young men.

Now, getting back to Sandra. Fortunately, it is me, rather than her who is writing this column. If it was her, she would tell you that she always wins all the arguments (or discussions). And she would be telling the truth, because I have a terrible track record when comes to discussions with women.

The realm in which I always prevail is in the vanity category. Whenever I drag out the old camera, I can always get her into focus because she knows that this could be the picture which captures her true beauty.

Has she ever had some surprises. I have a picture of her from two years ago at a Christmas gathering. It was so distinctive that I had 8x10s made for everyone in the family.

I made another picture this Easter which is less distinctive, while being a bit more flattering. She may even like this one. You can see the sky, a trace of a cloud and a pine bough reflected off the sunglasses perched on top of her head.

When I called the other night, I told her I had the picture in the mail to her.

"Is that a threat?" she asked. "You always take such terrible pictures of me."

Yeah, I thought to myself, savoring the time when I took some photos for her to send her husband who was (you guessed it) in the service. She claims the photos were so terrible he didn't want to come home to see her any more.

Despite all that I've said, I think highly of and love my sister. I don't want to catch anyone else speaking badly of her.

If you ever have time, drop by and ask me about my other brothers and sisters. But be prepared to sit for a spell. There are five more of them, and each of them their own distinctive personalities.

The Seminoles on display at Bank of BG

BELLE GLADE—An extensive dedication to Everglades area history in fine art will be unveiled here next Thursday at the Bank of Belle Glade when the bank's "The Seminoles" is opened for its first public viewing during an open house and unveiling ceremony from 4 p.m. to 6 p.m.

"The Seminoles" was commissioned by the Bank of Belle Glade more than a year ago. Belle Glade artist Ann Tyler has captured five scenes of Seminole life circa the turn of the century highlighted by a giant wall mural measuring more than 24-feet across with a towering full-sized Seminole warrior set against an authentic Everglades background common to the early 1900's in this area.

Four smaller paintings accompany the mural relating Seminole life in South Central Florida before the advent of agriculture and white settlement.

Historically accurate, "The Seminoles" is a blend of fine art in oil paintings and historical significance and represents more than a year of planning between the bank's representatives and the artist.

The mural was placed last weekend and covers the south wall of the main lobby. Other paintings in the grouping will be used in the lobby to give viewers a perspective of Everglades history. It is considered to be the most important local historical home piece on the Seminole Indians, tribes of whom inhabited the

Everglades just prior to the agricultural boom of the early 1900's.

Bank President W. Wayne Mikell and the board of directors were

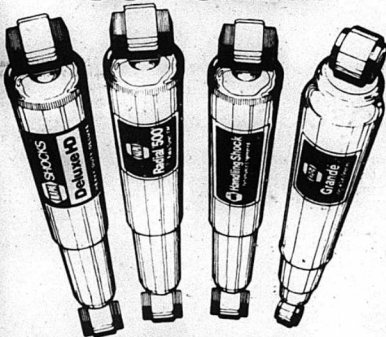

responsible for the selection of the theme and the commission of the artist. Drafts and sketches yielded to the finished oil work during the past

several months.

"We are extremely pleased to bring to our area this historical per-

Earlybird ball tourney set

BELLE GLADE—The Belle Glade Junior Woman's Club will sponsor its Second Annual Earlybird Men's Softball Tournament, May 15 through 17. This year's tournament will be held at Padgett Park in Pahokee. The tournament will be the 1981 ASA rule, double elimination tournament. Entry fee is \$75. Interested teams should contact Mrs. Dianne Herring at 996-1410 or Mrs. Janie Gillis at 996-4411. Entry deadline is May 9.

SYLVIA ROBERTSON sails over the final hurdle Friday enroute to a win in the girls 110 hurdles for Pahokee in the district track meet.

Lady Raiders shoot for region

The Glades Central Community High School girls track team took the district championship Thursday, April 23, with 122 points for the third year in a row. Those who placed in the top four during the meet against Atlantic, Cardinal Newman and North Shore Thursday will advance to the regional competition Friday, May 1, at St. Thomas Aquinas High School in Fort Lauderdale. The state meet follows Friday, May 8, at Showalter Field in Winter Park. "We have to run our best times and have our

best throws at state," Coach Jay Seider said. "We will be in the top three anyway." Last year, Glades Central girls placed third in the state meet. "We are more experienced and have more depth this year," Seider said. "If we hold our own in the relays, we won't be in too bad a shape." Results of the district meet are: Shot put-Sheila Nix first with a 41 foot, 2 inch throw, Gloria Stewart second with a 37 foot, 9 inch throw, Diana Bussie third with a 37 foot, 4 inch throw, and Brenda Bur-

den fourth with a 32 foot, 11 inch throw. Discus -Stewart first at 126 feet, 6 inches, Nix third with 113 feet, 7 inches, and Bussie fourth with 112 feet, 10 inches. High Jump-Stewart second at five feet and Fleeta Hearst third at 4 feet, 10 inches. Long Jump-Carman Crawford second with a 16 foot, 10 inch jump, Sophie Dukes third, Hearst fourth at 15 feet, 4.75 inches, and Barbara Bostic fifth at 15 feet, on-half inch. 110 hurdles-Bostic first with a 15.3 time, Rosaline Green second at 16.1, Hearst third at 16.3, and

Bussie fourth at 16.4. 100-yard dash-Dawn Missam second with 11.3 seconds, Crawford third with 11.3, Linda Jackson fourth with 11.3 and Joann Hart fifth. 440-yard 440-yard relay-Glades Central team first: Bostic, Missam, Dukes and Crawford with a 50.1 time. 400-yard dash-Pearlie Hill third with a 1:03.0 time, Patricia Clay fourth at 1:04.8, Michelle Tyler fifth at 1:05.5. 330 hurdles-Bostic first with a 48.1 time, Hearst second at 49.1, and Green third at 52.1.

Pahokee resident receives \$2,500 scholarship

Wilmington, Ma. - Ricky Jackson, of Pahokee, recently earned the University of Pittsburgh a \$2,500 scholarship from Converse, the athletic shoe company. As defensive tackle for the school's Panthers football team, Jackson had been selected to play in

the Shriner's East-West Annual Football Classic, which was held in Los Angeles on January 10. During that game Converse pledged a scholarship to the schools of the best offensive and best defensive players in the game. Jackson was chosen as the top defensive player, thus gaining the

scholarship for Pittsburgh. The money will be awarded to a handicapped student. The 23-year-old Jackson, a senior, was the Panthers' leading tackle last year, making 137 tackles in 1980. During his football career he has been named to the All-Ameri-

can 2nd Team by the Associated Press; and has been named First Team All-East player. Jackson is the son of Mrs. Lelia J. Lawson of Pahokee. Converse is a division of Eltra Corporation, a subsidiary of Allied Corporation.

PAHOKEE High School won the boys Class 2A district track title Friday, April 24, at Clewiston.

Christian Day favorites in District 11A playoff

Christian Day goes into this week's District 11A baseball playoffs the number one seeded team and undisputed favorites.

Despite their 19-3 record, Crusader Coach Gus Harmon says he is "pessimistic" about the outcome, citing the difficulty of beating any team three straight times.

Another concern is thinness in the Crusader ranks. Harmon lost catcher Warren Gibson to injury recently and goes into the tournament with only 11 players.

Christian Day brings a number of enviable strengths to the tourney, however, and Harmon concedes his players "are really excited about it."

They hope to make it two district championships in a row. In Harmon's first year as coach last year, Christian Day won 10 of 19 games during the regular season and added a district championship.

Chief among Crusader strengths are pitching and base running. Christian Day stole well over 100 bases this year, while its pitching staff posted a 1.90 earned run average "ERA".

When it comes to pitching, William Cruz sets the pace. He won 11 of 12 games, struck out 111 batters in 77 2/3 innings and walked only nine batters all year. His ERA was .082. Cruz is only a junior.

Harman has other pitchers he can use as well, including Alex Morales, who was undefeated in five games this year.

Team batting was a deceptive .260, but Harmon notes that the Crusaders were usually able to get key hits.

Jesus Armas leads Crusader batters with a .379

average. William Cruz, Alex Morales, and Tavi Garcia are also hitting in the neighborhood of .300.

Christian Day has found enough power in its bats to outscore opponents 158 to 62 this year. Christian Day won its final game of the regular season Friday, April 24, beating Christian Summit 6-1. Cruz struck out 10 and held Summit to two hits enroute to the win.

Alex Morales gave the Crusaders all the runs they needed in the first inning when he socked a two run homer. Juan Armas led Crusader batters with three hits, while Jesus Armas and James Barnwell had two each.

District 11A action starts Wednesday, April 22, as Jupiter Christian and Palm Vista play at Jupiter at 3 p.m. All other games will be played at Glades Day School, where Christian Day is the host team.

Glades Day and St. Edwards play at 4 p.m. Wednesday.

Action continues Thursday as Moore Haven plays the winner of the Glades Day-St. Edwards game at 2 p.m. and as Christian Day plays the winner of the Palm Vista-Christian Day game at 4 p.m.

The finals are set for 3 p.m. Friday. The winner of the district tournament will also host the regional tournament, set for Tuesday, May 5, at 4 p.m.

Admission of \$2 will be charged adults and \$1 for students for the district tournament.

Gus Harmon looks for Moore Haven, Glades Day and Christian Day to decide the district tournament championship.

Pahokee Blue Devils win Class 2A district title

Pahokee High School girls track team won the Class 2A, District 7 championship Friday, April 24, beating Clewiston 158-129. Ft. Pierce, John Carroll, Immokalee, and LaBelle were no factor in the meet. Pahokee's girls finished second to the Clewiston girls 108-106 in a meet which was not settled until the final event of the evening. Albert Gray placed the

Blue Devils to the boys district title by winning the 100 yard dash in 9.83, the 220 yard dash in 23.20, and the 440 yard dash in 51.15. Boris Banks won the long jump with an effort of 20 feet, 11 inches and was third in the high jump with 5 feet, 8 inches. Joe McKelton won the high jump with a leap of 6 feet. Peterkins accounted for Pahokee's other first place with an 11.09 time in the

two mile run. Pahokee also got first place performances from its 440 and mile medley relay teams. In girls competition, Sylvia Robertson was first in the 110 hurdles with a time of 15.25, and the 330 hurdles with a time of 46.98. Other first places were claimed by Powell in the discus "107.9" and the shot "36-5/8", by Karen Joseph in the 100 yard dash with a time of

11.38 and the 220 yard dash with a time of 26.56. Pahokee's 440 relay team won with a time of 50.97. Its mile relay and mile medley relay teams were second. Pahokee travels to Showalter Field in Winter Park Saturday, May 3, for the state track meet. All athletes and relays finishing second or better in the district meet qualify for state. Finals are set for 7 p.m.

May Day Thursday

PAHOKEE — Pahokee Elementary School will host its annual May Day Program Thursday, April 30 from 7 to 9 p.m., at the Pahokee High School football field.

The theme will be "Around the World in 120 Minutes". This annual event is the highlight of the year which students and teachers look forward to with anticipation.

Parents, teachers and students will take a two hour cruise aboard "Princess Love Boat" with Mrs. Jackie Moore serving as the ship's captain. They will travel to various countries and will see spectacular dances, meet the people and discover some of the varied cultures around the world.

The school's annual Spring Festival will be held Saturday, May 9. Each grade group will sponsor a booth. There will be a bicycle and alphan drawing, a book fair, food and drinks and "Miss Daisy's Country Store".

The popular "Dunk the Doc" will be making its second appearance at the Spring Festival.

The students will have a chance to "even the score" with Dr. Harris Blumberg, principal.

The fun will begin at noon and draw to a close shortly after 3 p.m.

BEAUTIFUL WINNERS...

WINNERS in the Stars of Tomorrow Little Division from left to right are Lisa Corbitt, first Princess and Miss Springtime; Jessica Crawford, queen; Jenny Lynn Sutton, last year's queen and Stephanie McKinley, Second princess and last year's Miss Springtime.

WINNERS in the Stars of Tomorrow Little Division contest sponsored by Mrs. Virginia Anderson are from left to right Michele Thompson, first princess; Susie Gray, queen and Kelly Graves, second princess.

Jrs. sponsor hunt and picnic

BELLE GLADE — An Easter egg hunt and picnic sponsored by the FFWC Belle Glade Junior Woman's Club was held at Airport Park on Saturday, April 18. Several members and their guests enjoyed the occasion in the park. This activity was such a success that the Juniors are planning to meet in the summer months for similar activities.

"We're saving about \$30 a month on our electric bills."

Mr. and Mrs. Pruthi of Boca Raton aren't really surprised they're saving money on energy. You see, when they decided they wanted a new house, they also decided it must be one with maximum energy efficiency — and maximum comfort. Naturally, they picked a Watt-Wise Living® home.

What's Watt-Wise Living? It's a combination of features that meet FPL's energy-saving standards and can be easily included in the construction of a new home. Over a period of years they can save you substantially more than they cost. Naturally, how much you save will depend on your lifestyle and conservation efforts.

Watt-Wise® homes have cost-saving features like extra ceiling and wall insulation, solar or heat-recovery units for water heating, a higher-efficiency air conditioner or heat pump, power savers like fluorescent lighting and a microwave oven, and thermally efficient windows and doors, (with glass areas planned to minimize heat build-up).

Today, there are many ways to save on electricity without giving up comfort. You'll find them in FPL's Watt-Wise Living Program. Stop by your local FPL office and pick up a free brochure. Today, it's one of the wisest investments you could make.

Outstanding student and community leaders honored

NAACP Community service awards banquet

BELLE GLADE — Newly elected Riviera Beach City Commissioner, Gerald Adams told more than 100 supporters at the Second Annual Violet Anderson NAACP Community Service Award Banquet Saturday at the Lakeside Country Club, that now is the time for "Blacks to make a commitment to change . . . community changes, political changes and economical changes."

Adams who wrote and implemented Palm Beach County's first Affirmative Action directive told those gathered to see some of the community's leading citizens honored said "Blacks made great political, economical and social gains in the 60's but stand to lose them all in the 80's if they do not make a strong commitment to change, both individually and collectively."

"We (Blacks) will lose all we have gained because of apathy at the polls and Reaganism," said Adams.

Adams said he feels the strongest organization in the black community is the church. "Every church should have someone qualified to register eligible voters," said Adams.

"I am a registered Republican because I got tired of being taken for granted by the Democratic party," Adams said.

"The Republicans refused to campaign for our votes because they were sure we were going to vote for a Democrat."

The Democrats did a poor job of courting our votes because they were sure they had us.

"We must stop allowing ourselves (blacks) to be predictable," Adams said.

Although I am a Republican that's does not mean I go along with Reagan's proposed budget cuts," Adams said.

In being predictable, Adams said, the black community also allows persons from outside of the community to pick its leaders.

"Make sure we pick our own leaders," said Adams. Following Adams' message,

Juniors meet for Easter

BELLE GLADE.—The FFWC Belle Glade Junior Woman's Club held their monthly meeting on Apr. 14 at the home of Mrs. Eddie Buckner and the theme for the evening was Easter, which was carried out with decorations and refreshments prepared by hostess, Marie Buckner and co-hostess Dianne Herring.

The program for the evening was presented by the Arts Department. Mrs. William Thiebaud presented a book review title "To young to be a grandfather". The club's reporter said the program was enjoyed by all the members and guests and stated the book review gave them an incentive to do more reading.

The regular business meeting was called to order by President Sharon Underwood. The club commended Mrs. Becky Wedgeworth for a job well done for chairing the Black Gold Jubilee Arts and Crafts show.

Plans were made for the upcoming softball tournament chaired by Mrs. Dianne Herring and the Easter egg hunt chaired by Mrs. Vickie McMullen and Mrs. Marie Buckner.

Plans were also made for the upcoming FFWC State Convention which will convene in Lakeland.

Following the meeting new members were welcomed and an informal ceremony was held. New members welcomed were Reni Crews, Dianne Herring, Janie Gillis, and Janie Shiver.

Each were presented with a pink silk rose, the club's flower and color.

Guest attending the meeting were Debbie Norman, Laura Ellis and Diane Seider.

TAKING IT FROM THE TOP

By REV. DAVID T. EVANS
Everglades Presbyterian Church

A mausoleum in a large city was advertising that their building of steel, concrete and marble would last a thousand years.

The world now has known Christ for nearly twice that period of time but He always existed. Jesus tells his Jewish baiters, "Before Abraham was, I am."

He had told them that He had known Abraham and Abraham rejoiced at Jesus' day. The Jews took up stones to kill Him.

He had denied their accusation, insulted them and their intelligence, and had lived through it. Christ faced death from childhood but accepted it only when the time was right.

Jesus statement is a proclamation of His eternal nature. He is telling all that that he had an existence before His earthly life.

Jesus is the earthly manifestation of God's timeless being. Jesus the eternal had broke into the time of men.

The "Eternal" Christ comes to show us the Eternal God. God, who always was, reveals Himself in the flesh.

The revelation makes clear the completeness of God's gift of Himself to the world. Paul tells us that He (Christ) emptied Himself and became flesh. God went all out to identify Himself with us in our need.

The Eternal Christ shows us that the Eternal God who is for us is no fly-by-night. God has always been and will continue to be so in the future.

The Eternal Christ comes to show us and the world God's eternal plan. Christ explains to those about Him the way of salvation. Jesus' mission is to awaken the world to the need of a change, to give hope through His message of deliverance.

Before Christ's words rang out the possibility of salvation was only in the minds of the ancient prophets. The modern man does not know of his need, nor does he yearn for release because he does not know that there is anything else. Being confronted by Christ stirs up a desire to secure freedom in Christ.

Until we have been shown the possibilities and potentialities of freedom as provided by God and shown in Christ, this kind of life is meaningless to us. In Christ we have life as it is meant to be lived and the possibility for us human beings living it.

The Eternal Christ by His example and strength leads the way and inspires us to follow him.

The Eternal Christ puts God's plan into action. Being the eternal manifestation He becomes the way to God and the means of freedom.

Christ is not only the demonstration of God's plan but implements the plan. In days before Christ the way to God was by making sacrifices. With Christ access to God was Christ's self-sacrifice in Christ.

As Christ, entered into the plan, becoming the sacrifice and breaking down the wall separating us from God, so as we lead a life of sacrifice for God, we gain access to God. The sacrifice is made by putting God's interest first. It is accomplished by denying self, retracing the steps of Jesus with our cross and following Him.

The Eternal Christ is the same yesterday, today and forever. We can count on Him. He can bring hope to us and He will show the way to eternal life.

If you have already found the Eternal Christ, lead someone else to him, that they may find joy and Eternal Life.

Parties given for Miss Thiebaud

Miss Cynthia Jane Thiebaud of Tallahassee, bride-elect of Robert W. Burton, spent the week of April 20th visiting her parents, Mr. and Mrs. William A. Thiebaud of Belle Glade. During the week Miss Thiebaud was honored with several functions.

On Tuesday evening, March 21, a bridal shower was given at the home of Mrs. T. E. Burgess of Belle Glade. The refreshment table was graced with a pastel pink liner overlaid with a organza cloth. Ceramic candelabra, hand-made by Mrs. Burgess, held lighted pink candles. The candelabra were decorated with roses and baby breath.

Throughout the house were rose arrangements by the Mills Byrons. Refreshments were served to over 80 ladies in attendance.

The hostesses were Mrs. T. E. Burgess, Mrs. Mills Byrom, Mrs. Francis Cross, Jr., Mrs. Mary Libby Roth, Mrs. S. K. Smith, Jr., Mrs. J. Marvin Unwin, and Mrs. Guy D. Woods, Jr.

Luncheon
On Wednesday, April 22, Mrs. Robert Y. Creech, Jr., entertained Miss Thiebaud with a luncheon at the Sailfish Club in Palm Beach.

Those in attendance

were Miss Thiebaud, Mrs. William A. Thiebaud, Mrs. Gilbert K. Hutchens of Carrollton, Ill., the bride's maternal grandmother, Mrs. Barnes Smith, Mrs. Julian Field of West Palm Beach and Mrs. R. Y. Creech, Jr.

A luncheon gift was presented to the bride-to-be by Mrs. Creech and Mrs. Smith.

Reception
On Saturday evening, April 25, Mr. and Mrs. William A. Thiebaud hosted over one hundred friends for a reception at their home in honor of their daughter Cynthia

Jane and her fiancé, Robert W. Burton of Tallahassee.

The house was decorated with rose bouquets grown and arranged by Mr. and Mrs. Mills Byrom.

Friends who assisted Mrs. Thiebaud were Mrs. Don Clark, Mrs. Robert Y. Creech, Jr., Mrs. Francis Cross, Jr., Mrs. T. E. Burgess, Mrs. Mary Libby Roth, Mrs. S. K. Smith and Mrs. J. Marvin Unwin.

Miss Thiebaud and Mr. Burton will be married May 23, in the chapel of the First Baptist Church in Tallahassee.

Rigoletto cast performs for students.

East Lake students watch opera

PAHOKEE—Students at East Lake Middle School got a first hand experience at viewing an opera performance at the Prince Theatre in Pahokee on Tuesday, Apr. 21.

The opera, "Rigoletto" was performed before a group of sixth and seventh graders through the sponsorship of the Junior Opera Guild of the Civic Opera of the Palm Beaches. The Junior Opera Guild is presenting a free series of opera performance for students in Palm Beach County.

The opera, "Rigoletto" is a story about the Duke of Mantua, played by Carlos Manuel Lantana; Rigoletto, a jester, played by Morris White and the termolito when Gilda, Rigoletto's daughter, played by Cheryl Cavendish falls in love with the Duke of

Mantua and Monterone, a nobleman places a curse on the jester.

The four act opera concludes with Rigoletto arranging for the Duke's murder with Sparafucile, an assassin, played by Luis Pichardo who uses his sister, Maddelena played by Ariane Conka, to lure the Duke to his death. Instead Sparafucile presents Guida body to her father. She dies in Rigoletto arms and Monterone's curse has been fulfilled for having the jester mock him in the opening scene.

Mrs. Eugenia Jones, assistant principal at East Lake Middle School accompanying the students to the opera and said the students "dressed up" for the occasion.

Arrangements for opera was made by Jack Redding, West Area Superintendent.

New director appointed

BELLE GLADE—Robert Hurst is the newly appointed Director of Physical Therapy at Glades General Hospital. Physical therapy is a new branch of medicine at the hospital.

Hurst is a graduate of the University of Michigan, located in Ann Arbor. He is an employee of the Clawson Medical Research Professional, a contract service of the hospital.

Hurst says that he became interested in physical therapy while he was a student in West Germany. He has worked with children and adults who have suffered losses in accidents and following

strokes. He has also worked with patients who have successful surgery and need physical therapy in order to gain total rehabilitation.

Hurst is a valued addition to the rehabilitation team to the hospital. He says that there are hundreds of thousands of disabled people in the United States, who are victims of polio, arthritis, strokes, cerebral palsy, blindness, fractures, amputations and accidents; whom may have been successfully rehabilitated. Now residents in the program who are disabled from disabling illnesses or injuries can benefit from the skills of a physical therapist.

Title I banquet held

PAHOKEE—The Title I West Area Advisory Council held its Second Annual Spring Banquet, on April 20 at Pahokee Elementary School.

The banquet was attended by parents, teachers and students of the Title I Communication Skills Program in the West Area. Also attending were Mrs. Anne Parker and Mrs. Mary Nutting of West Palm Beach from the Title I Administrative Department.

Mrs. Evelyn Lair, of Stuart, a former West Area Title I consultant was the speaker.

The theme for the program was "Parents and Teachers as Partners". Mrs. Lair stressed the importance of parents and teachers working "together" as a team in order for the student to reach his highest potential in school.

At the end of the program many door prizes and gifts were given to the parents and teachers. The Title I Advisory Committee wishes to thank Dr. Harris Blumberg who worked so "faithfully" with the WAAC throughout the year.

The WAAC also expresses their appreciation and thanks to Badcocks, Inc., Bank of Belle Glade, Glade Bank of Pahokee, Herald-Observer, Coca-Cola Bottling Company, First American Bank, Florida First National Bank, Glades Mercantile, Glades Trend, Kentucky Fried Chicken, Mather's Furniture Store, McCrorys, Palm Beach The Evening Times, People's Federal, Royal's Department Store, South Bay Growers and WSWN Radio Station for their donations and services.

Hospital board talks to accounting firms

BELLE GLADE — Receiving presentations from two South Florida public accounting firms, the Glades General Hospital Board took initial steps toward choosing an auditing firm for their next fiscal year. Representatives from

West Palm Beach's Ernst and Whinney and Ft. Lauderdale's Main, Hurdman and Cranston talked with the board at its regular monthly meeting Tuesday night.

While making no final decision, it voted to name Treasurer, Clarence Pate as its negotiator with firms, indicating a preference for Ernst and Whinney. The board set a maximum limit and guidelines for Pate to follow in his negotiation.

The two firms represented were the only ones to bid for the board's proposed audit.

In other business, the board heard a progress report from the hospital's Chief Administrator Pat Lennon, on the hospital's proposed new emergency room. With the recent approval by the Health Planning Council, the path has been cleared for the final plan-

ning and financing of the new room, which is estimated to cost about \$750,000. Belle Glade architect Chester Cone has drawn up preliminary plans and Lennon said the room should be finished within one year.

• Heard a brief progress report about the proposed Birthing Center, which has also been approved by the Health Planning Council. Florida Commercial Health Centers, a migrant health care specialty service, is seeking a Health and Human Services federal grant to provide funds for the center, which it wants to set up inside the hospital's old north wing. The firm would pay the hospital rent for use of the space.

• Approved the reappointment to the medical staff of Dr. J. Alan Baker, general practitioner and surgeon.

• Approved medical

audits.

• Looked at two proposed insurance schedules from two firms interested in providing the hospital with insurance; Milton

Carpenter and Jeff Hook-

• Were informed of the hiring of a new registered respiratory therapist, Bill Timmel.

PBJC-Glades spring registration underway

BELLE GLADE — Registration at Palm Beach Junior College-Glades for

the Spring Term will continue until Thursday, May 7. The day classes begin Thursday, May 7. One may register for Summer Term, June 18 through July 30 at any time.

The college will go a four day week beginning Friday, May 8. The evening hours will be 5:30 to 7:30 p.m. Monday through Thursday evenings for both terms.

For further information call 996-3055.

Critical path briefing on water project presented

Belle Glade City Commissioners appeared to be breathing easier after a "critical path" briefing by consultant Harry Wild on the status of the city's water improvement project Monday night, April 27.

Wild used a detailed flow diagram in his presentation, showing commissioners all of the steps they need to go through with their engineer and financial consultant in order to make a final contract award for construction in December.

Under the project, the Tolly Island pump station will be improved, water treatment capacity increased, and a 12 inch water main installed to a 1 million gallon storage tank on Duda Road.

Also included in the project is the expenditure of \$425,000 for repairs to the existing waste water treatment plant. The repairs will not increase the plant's capacity.

City Manager Rolfe Wagner said the deadlines shown by Wild are "outside" figures that

provide a basis for planning. Some of the dates can probably be moved up, he said.

At the close of Wild's briefing, commissioners approved the plans and specifications for the project.

In other business Monday, Commissioners accepted the resignation of James F. Conway from the City Code Enforcement Board.

Black Gold committee

Black Gold Jubilee Committee members met Friday, April 24, to begin their reorganizational process and start preparations for the 4th Annual Jubilee.

Members re-elected Steve Weeks to chair the committee for the second straight year. With few exceptions, most of this year's committee also retain their posts through 1982.

With seven and possibly more committee members leaving the committee this year, carry-over members began suggesting replacements from the community. A three-member committee, composed of Steve Weeks, Dolly Hand and Dean Jones will evaluate the 18 names mentioned as potential new members.

Approved Friday was designation of the second weekend in April as Black Gold Jubilee's "primary" weekend. When Easter falls on the second weekend in April, Black Gold would move to the first weekend in the month.

Committee members reviewed the results of this year's Jubilee acclaimed as the best ever — and made a number of suggestions for improvements in 1982, among them:

• A beauty show to precede the festival's main activities on a Friday.

• Movement of the children's pet show from Sunday to Saturday afternoon.

• Providing more space around events such as the baby crawl and pie eating contest to allow spectators clearer view of the action.

• The addition of racquet ball and canoe racing tournaments. Stricter guidelines on the construction of rafts was also discussed, including limiting entries to using inner tubes.

Mica to speak at Red Cross event

U.S. Senator Frank R. Lautenberg will make the opening remarks at the American Red Cross fund-raising event designed to raise money for a Belle Glade office of the national organization May 24.

Jerry D. Krinn, disaster director for the American Red Cross in West Palm Beach, confirmed Monday April 27, that Mica would be in Belle Glade at noon to preface the day-long activities with opening comments.

Krinn said local support from business and industry leaders for the new office has been tremendous. The May 24 event has already received sufficient underwriting to guarantee that a substantial part of the \$60,000 needed will be raised.

Among the activities planned are a water ski show by Sunshine Water

ment during the day.

Among local businesses providing prizes to be awarded during the day are Dan Mace - rod and reel, Royals Department Store - black and white television, and First American Bank - \$50 savings bond.

The National Guard and American Legion have been asked to take part in the activities, which fall on Memorial Day. One of the chartered aims of the

American Red Cross is service to members of the armed forces.

Trash crews to work in southeast section

BELLE GLADE-The City's trash crews will be picking up trash in the Southeast section of the city beginning Monday, May 4 and continuing through Friday, May 8.

Anthony Williams, coordinator of Sanitation Department said he would like to ask all residents to place trash items near the road in a corner of their front lawn for pick-up. Williams said a number of residents have been placing trash in their garbage containers and would like to ask residents to not place trash in the garbage containers for pick-up unless it is in a plastic bag.

spective which we believe not only represents a fine art display but is also significant to the preservation of local Everglades history," said Mikell.

The open house will give visitors an opportunity to see all the work together on display in the bank's main lobby. The doors will open at 4 p.m. and remain open until 6 p.m. for the public showing Mikell said. Refreshments will be served.

Ms. Tyler is a well-known local artist whose medium is oil painting. She specializes in Everglades scenic and historical paintings and has devoted much of her time to the study of pre-agriculture Everglades history.

"I have a very special interest in the Seminoles in particular and have spent many years studying Seminole history, some of which is deeply vested in the area right around Belle Glade," said Ms. Tyler. She said the five works commissioned by the Bank of Belle Glade represented her most ambitious artistic work yet. "It was an unbelievable opportunity to blend my vocation with my

interest in the Seminoles," said Ms. Tyler.

Ms. Tyler has two exhibitions on the invitation of the Palm Beach Historical Society at Flagler Museum in West Palm Beach. Her portraits, landscapes of native Everglades scenes and illustrations hang in many prominent homes and businesses around the country.

Last weekend, the huge mural was moved into the bank lobby.

Painted in her studio-home, the 9-by-24-foot wall mural was moved into place by workmen under the direction of George Mandy of West Palm Beach, a specialist in large works display. The mural was permanently affixed to the wall, a project that took most of the day. Final touch-ups were being done this week in preparation for the open house next Thursday afternoon.

Members of the Board of Directors, the officers and staff of the Bank will be on hand to greet guests for the open-house which is expected to draw several hundred guests. The public is invited.

Part of US 98 to close for repairs

BELLE GLADE -- Part of U.S. 98, from Canal Point to Muck City Road, will be closed for the next six months for road improvements, beginning in May, it was disclosed at last week's regular monthly meeting of the Canal Hazards Safety Committee.

Chairman Franklin Jones said that Dixie Asphalt of West Palm Beach was to start working on the five-mile stretch of bumpy roadway by May 15. The Florida Department of Transportation awarded the firm the project.

The work will begin before the Glades' spring vegetable harvest is concluded, Jones said, and keep going into the 1981-82 sugar cane and produce season. Jones added, however, that railroad traffic to the Bryant U.S. Sugar Corp. mill will not be affected.

David Goodlett, assistant to County Commissioner Bill Bailey, said the cost of the work will be \$527,300. During the

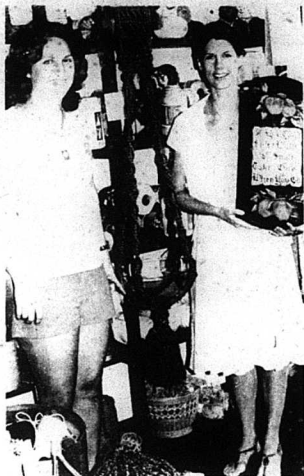

work-time, traffic will be detoured onto State Route 717 and into Canal Point via U.S. 441.

More work on the four-laning of U.S. 27 south of South Bay is not included in the Department of Transportation's (DOT) five-year plan, according to Dave Smith, DOT maintenance engineer of Palm Beach County. Improvements to the bridge over Bowles Canal at U.S. 27 and State Route 827 are the only U.S. 27 projects in the plan, which will include four-laning the structure, Smith said.

Smith added that several major accidents occurred at the bridge this past year and that it needed repair.

"We need to put a push on to get more money to the DOT," Jones said. "With the bad shape some of our roads are in now, we need maintenance men out everyday just to keep the pavement in place."

The committee also discussed strategies for obtaining funds to improve State Road 80.

ROXANNE CURTIS (left) and Kathy Ligon (right), of Peddlers Cart in Canal Point, pose with macrame and decoupage creations. Kathy will begin a series of four decoupage classes at Peddlers Cart Thursday, May 7, from 10 a.m. to noon. The classes cost a total of \$25, plus supplies.

Roxanne begins a summer of macrame classes May 10, from 10 a.m. to noon and May 12, from 2 p.m. to 4 p.m. Her classes cost \$1 each, plus supplies.

To sign up or get information about either program, call or contact the Peddlers Cart, at 924-2959.

Gator girls win

With a 12-1 win at home over St. Edwards April 23, the Glades Day High School girls softball team ended up their season with a 16-5 record.

Coach Mandy Perez named Tammy Scruggs, Donna Fowler and winning pitcher Lulu Blanchard as his team's outstanding players for the game.

Scruggs went three for four and Fowler was two for three with a double. Blanchard, with this win, pushed her record to 5-0.

Kelly Teets is 6-2 and Susie Rives is 6-3.

Both the girls softball and boys baseball teams begin District play April

29. Perez said he was worried about his team's depth, because of three sickness-injuries that will sideline three of his players — Holly Crum, Paige Poole and regular second baseman Beth Adams.

In the Clewiston Easter Tournament last week, the boys dropped three straight.

April 22, they lost to LaBelle 4-1; Friday, they lost to Moore Haven 12-4 and Saturday, they lost to host Clewiston, 4-0.

In the District, the girls go to Moore Haven to open against Jupiter Christian. The boys, playing at home in the District Tournament, open against St. Edwards.
